

2025 COLLECTION

**SURFACE THAT
FASCINATES EVERYONE**

Welcome to

Panda ceramica

**To create an eminent art work, A conviction
from within and multitude is required.**

With an aim to luxuriate a space with excellence and unique surfaces, Panda has designated a young team of common interests which is proactively involved in creation of innovation in the ceramic tiles industry. The productive process is meticulously followed by our highly qualified staff, advanced technology, finest raw material with the consideration of the sustainable environmental compliances.

Panda offers an aspiring combination of irresistible looks with the most advanced technology. A versatile enduring range of tiles ranging from plain edge to Curve Edge, random punches complement its aesthetics. The art of imagination is reflected in our exquisite and durable product range. It is recommended for indoor and outdoor, commercial and residential applications.

80x160cm
(31.4"x62.8")

60x60cm
(24"x24")

60x120cm
(23.6"x47.2")

80x80cm
(31.4"x31.4")

Unveiling elegance

DIVERSE DIMENSIONS REFLECT VERSATILITY

Sleek finish with distinct shade tiles that comes in four different sizes

Experience a seamless fusion of elegance and versatility with our exquisite tile collection. From the classic charm of 600x600 mm to the grandeur of 800x1600 mm, we have 4 sizes that redefine your spaces with timeless sophistication.
